

## Admission Criteria

*Pathways to Care is a licensed Assisted Living Facility that offers short term medical respite care for people experiencing homelessness with acute medical conditions.*

### Your patient must:

- Be at least 18 years of age
- Be able to independently perform ADL's and must not require any specialized diets or textures.
- Be capable of assisting trained staff with self-administration of medications.
- Be able to perform activities of daily living without any physical assistance from staff.
- Be free from signs and symptoms of any untreated communicable disease that is likely to be transmitted to other residents or staff.

### Your patient must not:

- Be a danger to self or others as determined by a physician or licensed mental health practitioner or require 24-hour mental health care.
- Be bed bound, non-ambulatory, or require 24-hour nursing care.
- Be currently mis-using controlled substances and/or visibly under the influence of controlled substances. Episodic drug and alcohol screening may be performed at the program's discretion.
- Have a violent or sexual assault criminal history.
- Have any of the following occurring with their health: wound vacs, Stage III or greater wounds, surgical drains including Peritoneal dialysis or Pleurx drains.
